RE: 2020 Annual Air Emission Inventory Report
NDEEID: 84069
Program ID: Air Quality Division
Subject: Letter of Non-compliance
Response Required: Complete Emissions Inventory Report by June 16, 2021

Dear: Mr. Shaw

The Department of Environment and Energy conducted a file review of records for your facility on June 1, 2021 for the purpose of determining compliance with Title 129 – Nebraska Air Quality Regulations.

Based on this review, your facility was found in violation of the following requirements:

- 1) Failure to report air emissions inventory (Title 129, Chapter 6, Sections 001, 002, 003, 004 and 005).

The Department has determined that the following action must be taken to correct this violation. You are required to complete the following task and provide written confirmation of completion by the date indicated.

1. By June 16, 2021, the 2020 annual air emissions inventory report must be completed and submitted to the Department.

This letter is the Department's request for voluntary compliance on your part with the requirements stated above. Your prompt compliance in addressing this violation will be considered in deciding whether further enforcement is necessary. Enforcement action may include issuance of an administrative order or referral to the Attorney General seeking injunctive relief, penalties of up to \$10,000 per day for each violation, or both. Compliance with this request does not mean that further enforcement action relative to these violations will not be considered.
