Subject: Voluntary Cleanup Program Acceptance

Dear Mr. Bowers:

After further consideration, the Nebraska Department of Environment and Energy (NDEE) accepts AltEn Facility Response Group's application received on June 9, 2021, for enrollment into the NDEE Voluntary Cleanup Program. AltEn Facility Response Group's enrollment in the program is officially approved. In lieu of resubmitting a revised application, please incorporate NDEE's comments presented in the letter dated June 14, 2021, into the Remedial Action Plan.

If you have any questions about the Voluntary Cleanup Program process, please feel free to contact me at (402) 471-6411 or taryn.serwatowski@nebraska.gov. We look forward to working with you.

Sincerely,
