Scott,

Thank you for the update. Please continue the requested sampling with the other analytes on the list.

Best,

Hillary Stoll

Hello Ken and Scott,

I have not been able to find a laboratory that will analyze for Tolclofos-methyl, Penflufen, and Ethaboxam.

Kind regards,

Regina L. Wixon Ph.D. Director  
South Dakota Agricultural Laboratories  
1335 Western Avenue  
Brookings, SD 57006

Good afternoon Ken and Scott,

I apologize - we cannot do all analytes. Please see the attached with notes.

Kind regards,

Regina L. Wixon Ph.D. Director  
South Dakota Agricultural Laboratories  
1335 Western Avenue  
Brookings, SD 57006  
PH 605-692-7325  
Fax 605-692-7326

Dr. Wixon,

Please see the attached list of pesticide residues that the state of Nebraska has asked that we test for. Would you please look over the list and advise us as to what your lab is capable to test for.

Thank you so much for all of your help!

*Ken Peterson*
