RE: AltEn, LLC Environmental Site Investigation

NDEE IIS Facility # 84069; NDEE Program ID IWM NE0204447

I have reviewed the file for information regarding the required environmental site investigation at the AltEn, LLC facility as provided in NDEE's letter of April 14, 2021. The file does contain a letter from the facility dated May 7, 2021 indicating that Mr. Dan Blankenau, Senior Engineer for Coranco Great Plains, Inc. would be the Professional Geologist (PG) to prepare the required work plan. The due date for the required work plan as provided by NDEE's April 14, 2021 letter was June 7, 2021. No environmental investigation work plan was observed in the file.
