Re: Environmental Site Investigation, AltEn, LLC, Mead, Nebraska
IIS#: 84069

Dear Mr. Buell:

AltEn, LLC is in receipt of the request by the Nebraska Department of Environment and Energy dated April 14, 2021. We have discussed NDEE's request with Matthew Kralik, PE, the Senior Engineer at Coranco Great Plains, Inc. Dan Blankenau is the Professional Geologist at Coranco. Coranco has indicated that they would be able to prepare and submit a singular work plan for all of the activities outlined within the April 14, 2021 letter within 30 to 45 days after being funded.

If any additional documentation is needed, please do not hesitate to contact me at 402-624-0900 or stingelhoff@mrgkc.com.

Sincerely,

Scott Tingelhoff
