

Subpart 6H – Paint Stripping and Surface Coating
Applicable Citations per Facility Operations Guidance
Based on February 13, 2008 Amendments

The intent of this document is to provide an assistance tool for complying with the National Emission Standards for Hazardous Air Pollutant regulations. These tables are by no means inclusive and are not meant to serve as a substitute for being aware of and understanding all applicable regulations.

See the electronic CFR link to look up citations and review the summaries of requirements and brochure on the Air Toxics Notebook for information on the specific rule requirements.

1. Existing source coating motor vehicle/mobile equipment. No methylene chloride (MeCl) Paint Stripping.

REQUIREMENTS	CITATION
Applicability	§ 63.1169 (b) = Purpose of subpart
	§ 63.11170 (a) (2) and (b) = operations subject and area source
