## **United States Citizenship Attestation**

On April 8, 2009, the Governor signed into law Legislative Bill 403 (LB 403) which requires the **verification of lawful presence in the United States** for recipients of public benefits, public contractors and public employees. LB 403 is codified in statute at Neb. Rev. Stat. §§ 4-108 through 4-114.

**Public Benefits**. For the purposes of this law, public benefits are defined to mean "any grant, contract, loan, **professional license**, **commercial license**, welfare benefit, health payment or financial assistance benefit, disability benefit, public or assisted housing benefit, postsecondary education benefit, food assistance benefit, or unemployment benefit or any similar benefit" provided by a governmental agency. There are limited exceptions in the law for certain benefits such as emergency health care services, short term noncash disaster relief, and life safety services.

Each of the licenses, certifications registrations and permits in the DHHS Environmental Health Unit are considered commercial licenses. For this reason, in order to comply with the requirements of Neb. Rev. Stat. §§ 4-108 through 4-114, each applicant or renewing applicant must address the information on the attestation below.

The attestation form **must** be completed by the following:

- 1. An applicant for a professional license or renewal of a license
- 2. An applicant for a commercial license or renewal of a commercial license where the business or entity is **owned by an individual**.

**NOTE:** In those cases where a business or entity is owned by a corporation, partnership, government, etc., the bottom of the attestation form needs to be completed. Please indicate the ownership of the organization. **Return the completed attestation form with your application or renewal form. Applications and renewals cannot be processed without the attestation form.** 

Providing this information is critical and absolutely necessary. Completion of the form will expedite your application or renewal. We appreciate your cooperation. If you have questions, please contact the program personnel indicated on your application.
