

# Welcome and Opening Remarks

---

**Joe Francis, Associate Director**

**NDEQ Environmental Update, Lincoln NE**

**May 15, 2014**

## First, a few housekeeping details...

- Emergencies
- Exits
- Restrooms
- Refreshments
- Cellphones
- WiFi Password =
- Time Management

# Why We Are All Here

---

Businesses exist to make profit; and need to be aware of applicable regulations and costs.

NDEQ's mission is to protect the quality of Nebraska's environment.

We need to reach out to each other to accomplish the mission of both!

# What We All Want to Accomplish

---

## Goals

- Provide you with useful information
- Help your business stay in compliance with environmental regulations
- Network with NDEQ staff and peers
- Answer ***your*** questions!

# Your Input is Invaluable

---

## Surveys

- Please take time and fill out the survey
- What worked, what didn't
- What can we do better
- Other topics
