

What is...

Surviving volatile commodity markets:

- Expand beyond growing raw commodities & step into value added markets through:

Innovation

Livestock

Strong food chain alliances.

• **HUGE OPPORTUNITIES**

Be more than #2 Dent Corn

- Steps to building a successful multigenerational operation:
 - 1. Diversify with livestock and other value added opportunities.
 - 2. Walk the grain off the farm/ lower inputs.
 - 3. Create stable income with food chain alliances.
 - 4. Reap the benefits of protein production and other value added opportunities.

~~REGULATORS~~

FACILITATORS -for- SUSTAINABILITY

They want to come home.
So how are you going to do it?

Rabo AgriFinance

TAKING THE LEAP.

 **Socially Responsible**

 **Environmentally Sound**

 **Economically Viable**

Conquering the volatility.

Sustainably grow:

You.

Your farm.

Your family.

Your farm's future.

Your community.

Your state.
