SAFETY TALK

**ROAD SAFETY:
FALL HARVEST**

SAFETY TIPS:
**FALL FARM EQUIPMENT
ON ROADS**

1. **Bogie:** Be on the lookout for farm equipment entering the road,
2. **Following:** Don't Tailgate – ensure farmer can see you – create space,
3. **Passing:** Make sure farm equipment is not making a left turn,
4. **Passing:** Don't pass in no passing zone, intersection or bridge, and
5. **Passing:** A farmer will often move equipment over when it is okay to pass.

Be Courteous!
