Recipient Address: 100 Main Street Husker Hollow NE XXXXX  
Street City State Zip  
Rebate Amount: \$ 42,000 Phone: XXX-XXX-XXXX

The final report must summarize all activities and expenditures for the rebate project. Describe in detail how your project was carried out. Use additional sheets of paper if necessary.

Please consider the following when completing the report.

1. Provide a detailed account of how your rebate was carried out as outlined in your rebate application.
2. Did you encounter any problems during the project which interfered with meeting the project objectives? If so, how did you remedy them?

After notification of the rebate award in August 2020, the Husker Hollow School Board approved purchasing a new bus at its October 2020 meeting. After careful consideration, the decision was made to purchase a XXXXXXXXXXX bus. The order for the new bus was placed with XXXXXXXXXXX on 20 November 2020, with delivery scheduled for March 2021. The new bus was delivered to the district on 15 March 2021.

The old bus was taken to Jones Salvage in Husker Hollow on 15 April 2021 for scrappage. The bus chassis frame rails were cut in half and a 3 by 3-inch hole was cut in the engine block. Salvageable parts were returned to the school district and the salvage value was noted on the Reimbursement Request. District bus supervisor XXXXX XXXXX observed the scrappage procedures and took before and after photographs to document the scrappage requirement.

Required paperwork, photos, and documentation were submitted to NDEE in May 2021.

Minor issues with the horn and turn signal are being resolved with the dealer. Otherwise no problems were encountered during the project.
