Company Name:	Facility ID#:
Owner/Operator/Title:	
Mailing Address:	
City:	Zip:
Plant Address (if different than owner/operator's mailing address):	
Street:	
City:	Zip:
Plant Phone Number:	
Plant Contact/Title:	
This form must be completed, signed and submitted to the following agencies by April 19, 2005 for	

existing sources* or 120 days after startup for new sources**:

NDEE Air Compliance Section Region VII EPA – Air & Waste Management and PO Box 98922 11201 Renner Blvd Lincoln, NE 68509-8922 Lenexa, KS 66219

If your facility is located in Omaha or Lancaster County, you must submit a notification to the appropriate local air pollution control agency and Region VII EPA.

Provide a brief description of the source (include nature, size, design, and method of operation):

^{*} An existing source was constructed or reconstructed prior to December 4, 2002.

^{**} A new source commenced construction or reconstruction after December 4, 2002. A new source may use the Notification of Construction/Reconstruction, if relevant, to satisfy the Initial Notification requirements.

Identify the emission points applicable to this standard:	
dentify the hazardous air pollutants emitted from the applicable emission points:	
 Compliance Dates Existing sources must be in compliance with this standard by April 19, 2007. New sources must be in compliance with this standard by August 17, 2004 or upon startup, whichever is later. 	
Check the box that applies: Facility is a major source of hazardous air pollutants (HAPs). Facility is an area source of HAPs. Source classification is unknown.	
NOTE: A major source is a facility that has a potential to emit greater than 10 tons per year of any single HAP or 25 ons per year of multiple HAPs. All other sources are area sources. The major/area source determination is based on al HAP emission points inside that facility fence line.	
Print or type the name and title of the Responsible Official for the facility:	
Name: Title:	
 A Responsible Official can be: The president, vice president, secretary, or treasurer of the company that owns the plant; An owner of the plant; The plant engineer or supervisor of the plant; A government official, if the plant is owned by the Federal, State, City, or County government; or A ranking military officer, if the plant is located at a military base. 	
CERTIFY THAT INFORMATION CONTAINED IN THIS REPORT TO BE ACCURATE AND TRUE TO THE BEST OF MY KNOWLEDGE.	
Signature of Responsible Official) (Date)
