Date

Please read the following to ensure your system is meeting all regulatory requirements:

- **Notifications to each applicable house must be conducted annually by December 31.**
- **Certification of Materials Notices is due within 30 days of distributing notices, or no later than January 30 annually.**
- Please submit this Certification of Materials Notices along with one (1) copy of each notice distributed to dwee.ecmupload@nebraska.gov.
- Any system with 5% or greater non-English speaking population must provide a statement in their notification in each of those languages on where consumers can review a translated copy of the public notice. Please contact the Department for translation assistance.
- Copies of public notice and certification records must be kept for a minimum of **three (3) years** by the system.
