

The Nebraska Department of Environment and Energy will conduct environmental assessment and sampling on and near the following site:

Project Name or Facility Name: _____

IIS Facility Number: _____ **Program ID No.:** _____

NDEE Project Manager: _____
Name Telephone

NDEE Contractor: _____

[The above information will be completed by the NDEE]

The purpose of this access agreement is to allow NDEE and our contractors to perform investigation activities that may include visual reconnaissance, collecting soil, soil-gas and water samples on and near the specified property (including samples from private or municipal wells). The undersigned property representative consents to allow NDEE and our contractors access to the following property in order to perform sampling or assessment activities.

Access is Requested During: _____

(Indicate the general timeframe access will be allowed. Please note that a Phase I Assessment generally takes about 6-8 weeks to complete and a Phase II Assessment generally takes 8-12 weeks to complete. In lieu of a specific timeframe, you may also indicate "As Needed" for the contractor to complete the work.)

Property Owner's Name: _____

Address of Property to be Sampled: _____

[Provide approximate legal description or parcel identification number if address is not available]

Signature of Property Owner or Agent **Date**

Telephone No. **Mailing Address**

NDEE or our contractor will give notice to the property owner at least one (1) week in advance of the start of field activities.
