

## Municipal Biosolids Land Application Form

Submission of this biosolids application form constitutes notice that the publicly owned treatment works (POTW) intends to land apply sludge or biosolids and requests approval by NDEE. The municipal wastewater treatment facility generating and applying the sludge must be in compliance with the Federal regulations contained in *40 CFR Part 503* which is administered by EPA Region VII.

Land Application Site Information	
Facility Name	
NDEE ID	
Site Location/Address	

### Sludge Application Checklist

A “No” answer to any of the two questions disqualifies the facility from automatic approval. If not automatically approved, contact the Department to determine how to apply sludge.

1. Are personnel who produce, dispose of or land apply sludge from the municipal wastewater treatment facility aware that any sludge produced, disposed of or land applied must be in compliance with the Federal regulations contained in *40 CFR Part 503*?  Yes  No
  
2. Are the wastewater treatment facility's sludge production, disposal and handling procedures in compliance with *40 CFR Part 503*?  Yes  No

Certification of Biosolids Application	
<p>I certify that the _____ facility, located</p> <p>At _____, Nebraska is in compliance with the requirements of the NPDES permit.</p> <p>I also certify, under penalty of law, that the annual report and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry, the information submitted is, to the best of my knowledge and belief; true, accurate and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations.</p>	
Signature of Certifying Official	
Printed Name	
Title	
Date	
<p>Form may be signed by an Authorized Representative, who is authorized by the facility signatory authorization form. Certifying Official and Authorized Representative are defined in NDEE Title 119, Chapter 1. Signatory requirements are set forth in 40 CFR Part 119, Chapter 13.</p>
